**Employees' Compensation Division  
Labour Department**

**Notes on Application  
for Settlement of Employees' Compensation Case  
by 'Paper Medical Clearance'**

To speed up the processing of an employees' compensation case, both the employer and the employee may apply to the Labour Department (LD) to settle the case by 'Paper Medical Clearance' (PMC). Should the application be approved, the injured employee will not be required to attend the medical clearance interview in person at the Occupational Medicine Unit (OMU) of LD.

**Conditions for Application**

The application must fulfill **all of** the following conditions:

1. there is no dispute over the case;
2. the period of sick leave should last for more than 7 days (if the period of sick leave does not exceed 7 days, the employer and the employee should settle the case via direct payment by employer or agreement between employer and employee in accordance with S.10(11) or S.16CA of the Employees' Compensation Ordinance (ECO) respectively\*);
3. the injury does not lead to any permanent incapacity;
4. the injury does not involve damage to teeth or the need for fitting of prostheses or surgical appliances;
5. all medical certificates are issued by registered medical practitioners, registered Chinese medicine practitioners or registered dentists;
6. the employee's sick leave has already come to an end;
7. the employer must provide copy of all of the employee's medical certificates in respect of the employees' compensation case; and
8. for occupational disease case, it should be the one specified in the Second Schedule of the Ordinance as advised by the Occupational Health Officer.

**Application made by both parties (i.e. both the employer and the employee signed the attached Application Form)**

If both the employer and the employee agree to settle the case by PMC, please complete and return the Application Form signed by both parties to LD. A Certificate of Compensation Assessment (Form 5) stating the amount of compensation payable under ECO to settle the case will be issued directly to both the employer and the employee after the application is approved.

---

\* If the employer is unable to settle the employees' compensation case by the way specified under the ECO and wishes to apply for PMC, please contact the case handling office of Employees' Compensation Division first.

**Application made solely by the employer (i.e. only the employer signed the attached Application Form) which is applicable in the following two situations**

Situation 1:-

The employer proposes to settle the case by PMC, but is unable to have the employee sign the Application Form.

Situation 2:-

LD has issued a notification to the employee to attend the medical clearance interview in person at OMU, but despite being repeatedly urged to do so, the employee still fails to attend the appointment on time rendering the case cannot be formally settled.

In the above two situations, the employer may return the completed and signed Application Form to LD first, and LD will then issue a letter to inform the employee that the case will be handled by PMC. Unless the employee objects to this arrangement, LD will issue Form 5 direct to both parties stating the amount of compensation payable under ECO to settle the case after the application is approved.

**Application Procedures**

Please fill in the attached Application Form and send it back to the office of the Employees' Compensation Division which handles the relevant injury case, together with all documents specified in the Form. Please contact the case handling office if you have any enquiries.
